

## **Seminar, Awareness Training & Workshop on RE Technologies**

In the quest to create knowledge based societies and to enhance the global competitiveness of technical manpower in the renewable energy domain Geetanjali Solar continually involve in creating awareness by conducting various Seminars, Workshops etc. at various institution level.

We are conducting Awareness Training, Seminar, and Workshop on various segment:

- i. Solar Photovoltaic Design, Technology and Application.
- ii. Solar Thermal Design, Technology and Application.
- iii. Wind-Solar Design, Technology and Application.
- iv. Opportunities, Challenges for implementation of SPV Power Plant.
